

## I. Before Interagation APIs:

- World Cup 2018 API support a **JSON** return format as the default response format.
- You need to get a API Key before starting.
- All request to our APIs need a header or will not acceptable, which will provide after you get an API key.
- We provide 5 languages now:
  - o English (en- default)
  - o Vietnamese (vi)
  - o Simplified Chinese (cn)
  - o Traditional Chinese (tw)
  - o Thai Language (th)
  - o Japanese (jp)
  - o Korea (ko)
  - o Others please contact us.
  
- Any problems when using APIs, please contact us, we will support as soon as possible.
